

# Chalk Paint Sight Words

1<sup>st</sup>-2<sup>nd</sup> grade, this is a fun way for students to practice writing out sight words!

This is an outside activity!

## Materials:

- Cornstarch
- Water
- Food coloring
- List of sight words
- Paint brush

## Objectives

### SWBAT

- Write out sight words
- Read sight words aloud

## To Make the Chalk Paint:

1. Mix 2tbsp. Corn Starch with 4tbsp. of water and a few drops of food coloring
2. All done!

## Activities

### Direct Instruction ("I Do")

1. "We're going to practice writing our sight words today"
2. Show the word, say the word, have the students repeat the word
3. "After we read our word, we're going to spell it while we write down the letters"
4. EX: Know
  - a. "Know . . . Know . . . K-N-O-W"

### Guided Practice ("We Do")

1. Repeat the process with the class with all of the words

### Closure

1. Let the students have fun! Play with the chalk paint a little
